

Quick Guide for Creating Proctor Groups in ADAM

The purpose of this guide is to provide a step-by-step walkthrough for creating proctor groups and assigning students to each of the proctor groups within ADAM. ADAM is the assessment platform being used to deliver ND A+ assessments.

For each grade and content area, a proctor group test code and proctor password will be available. Students cannot test using the “Create with Code” test code and proctor password. Schools have three options for creating proctor groups:

1. School Coordinators create the proctor groups (see instructions on page 3).

As the School Coordinator, you can create the proctor groups in advance of testing. Once the proctor group for a given test has been created, you can provide the test code and proctor password to the proctor of this group. They will use that code to log into the proctor dashboard. The proctor will give the test code to the students to use to log into the test.

- a. In addition to creating the proctor group, you can optionally assign students to each proctor group. This moves students from the unassigned proctor group into the proctor groups you are creating. If you pre-assign students to the proctor group, when you print the student test tickets the test code and the student’s ID will be on the card.

NOTE: K-2 teachers wanting to use the QR code, must have their students added to a proctor group for the QR code sign-in to be utilized.

- b. If you don't pre-add students to the proctor group, then the student test ticket will contain the student's ID and name, and the test code will need to be provided by the proctor.
2. Proctors create proctor groups (see instructions on page 7).

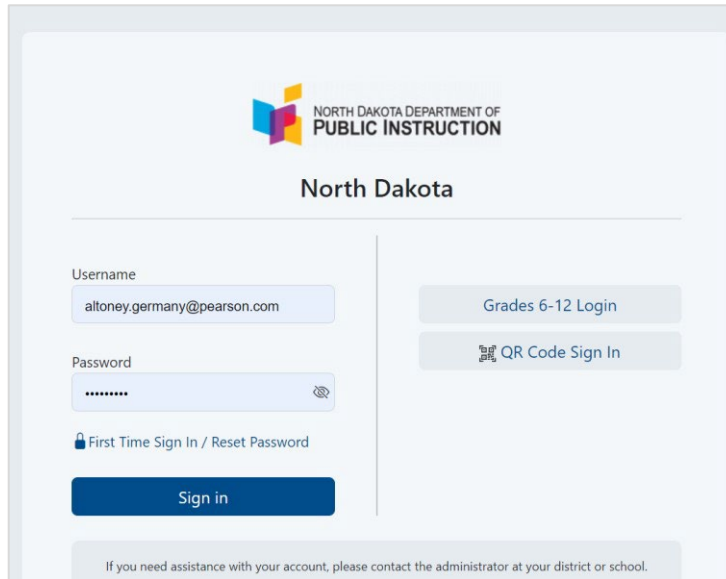

As the School Coordinator, you can choose to let the proctors create their proctor groups. Provide the "Create with Code" test code and proctor password to each of the proctors. When the proctors arrive in the testing rooms, they can log into the proctor dashboard using the test code and proctor password. The log-in process will ask the proctor to create their own proctor group which will generate a new test code. The proctor will give the new test code to the students for them to log into the test.
3. Teachers create proctor groups (see instructions on page 8).

As a teacher, you can proctor by class. You do not need a School Coordinator or District Administrator to create a proctor group.

 - The students are not added to the proctor group automatically. The teacher will have to provide the test codes to the students and as the students enter the test code, they will be pulled into the teacher proctor group.
 - K-2 teachers should not create proctor groups from their classes if they wish to use the QR codes. Teachers attempting to use the QR code will not be able to do so with this method since the students are not automatically added to the proctor groups.

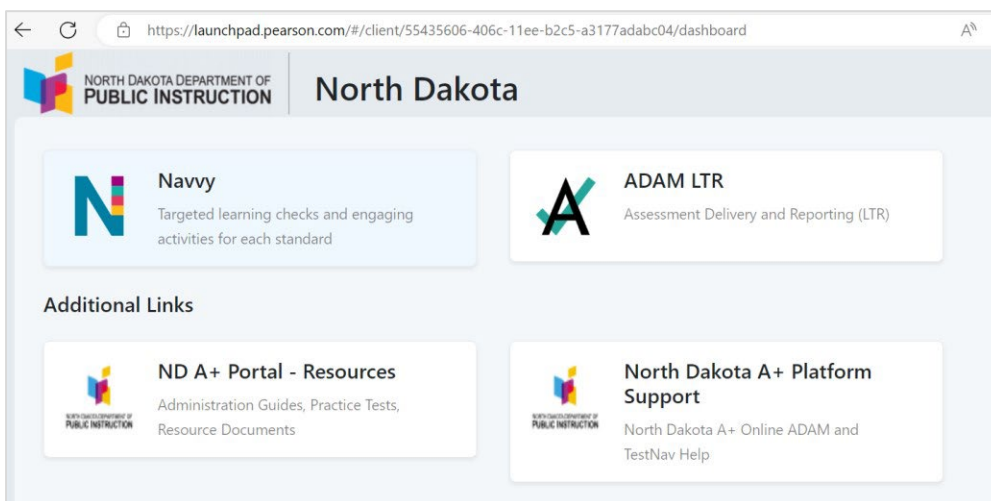

Tasks for School Coordinators to create proctor groups in ADAM

1. Navigate to [Launchpad | Sign In](#).
2. Enter username and password, click Login.

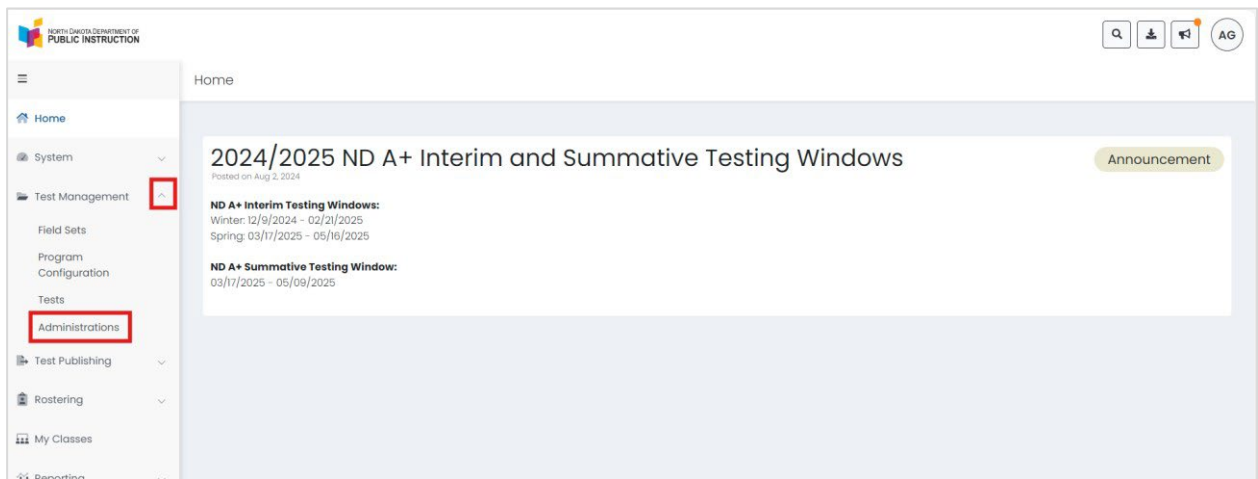

The screenshot shows the sign-in interface for the North Dakota Department of Public Instruction. At the top, the logo and name are displayed. Below is the heading "North Dakota". The form includes a "Username" field with the text "altoney.germany@pearson.com", a "Password" field with masked characters, and a "Sign in" button. To the right, there are two buttons: "Grades 6-12 Login" and "QR Code Sign In". A link for "First Time Sign In / Reset Password" is located below the password field. At the bottom, a note states: "If you need assistance with your account, please contact the administrator at your district or school."

3. Once logged into launchpad, click ADAM LTR.

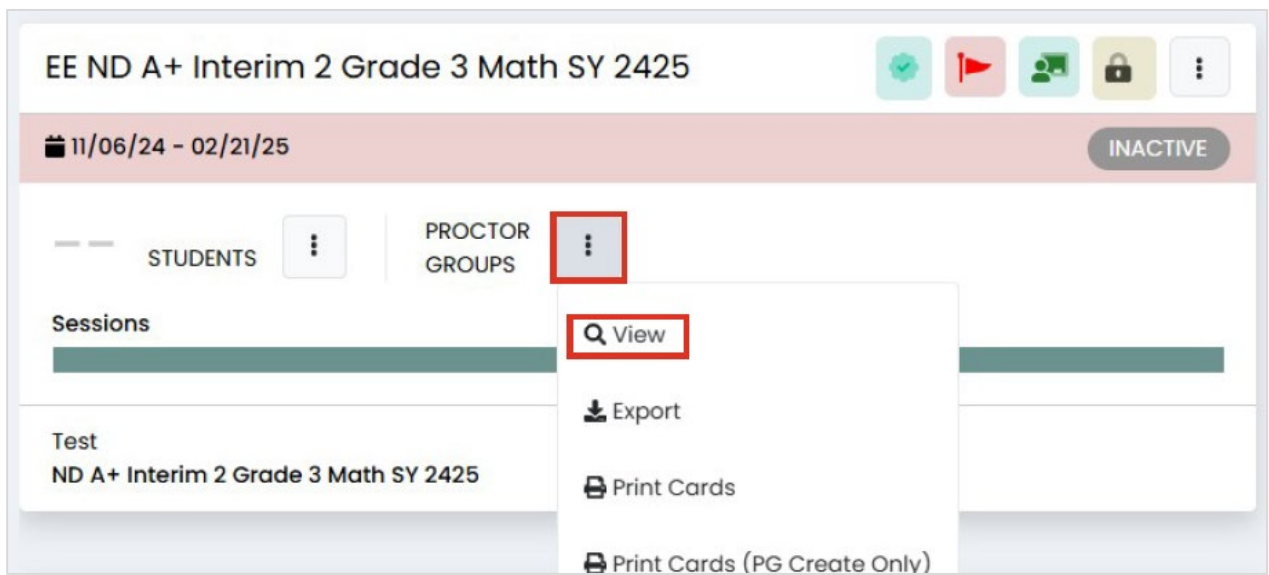

The screenshot shows the dashboard of the North Dakota Department of Public Instruction Launchpad. The URL in the browser is "https://launchpad.pearson.com/#/client/55435606-406c-11ee-b2c5-a3177adabc04/dashboard". The dashboard features the North Dakota logo and name. Below the header, there are four main sections: "Navy" (Targeted learning checks and engaging activities for each standard), "ADAM LTR" (Assessment Delivery and Reporting (LTR)), "Additional Links" (ND A+ Portal - Resources: Administration Guides, Practice Tests, Resource Documents; North Dakota A+ Platform Support: North Dakota A+ Online ADAM and TestNav Help).

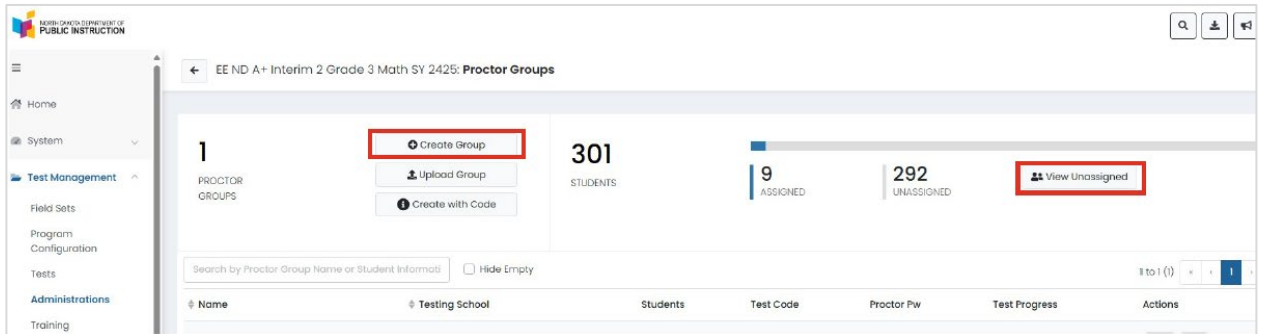

- Once the home page appears, go to the left-hand side and select the drop down next to Test Management and then click Administration.

- Test administrations have been set up by Pearson. You will pre-create the proctor groups, one for each proctor. In order to create proctor groups, click on "View" under PROCTOR GROUPS within each administration card.

- The first time you open the View Proctor Groups, all the students are assigned to the “View Unassigned” Proctor Group. Find the “Create Group” button and select it.

- Complete the information on the Proctor Group Config page.
 - (Optional) If you are pre-assigning the students to the proctor group, click the + button to start assigning the students.
 Click the Submit button to save the changes to the Proctor Group.

Proctor Group Config
This setup allows you to create additional proctor group that can be assigned to a testing school within or outside of your org scope and can be monitored individually.

Tasks for teachers to create proctor groups by class

1. Navigate to [Launchpad | Sign In](#)
2. Enter username and password, click Login.

The screenshot shows the sign-in interface for the North Dakota Department of Public Instruction. At the top, the department's logo and name are displayed. Below this, the text "North Dakota" is centered. The sign-in form includes a "Username" field with the example email "altonney.germany@pearson.com", a "Password" field with masked characters and a visibility toggle, and a "Sign in" button. To the right of the password field are two buttons: "Grades 6-12 Login" and "QR Code Sign In". A link for "First Time Sign In / Reset Password" is located below the password field. At the bottom, a small note states: "If you need assistance with your account, please contact the administrator at your district or school."

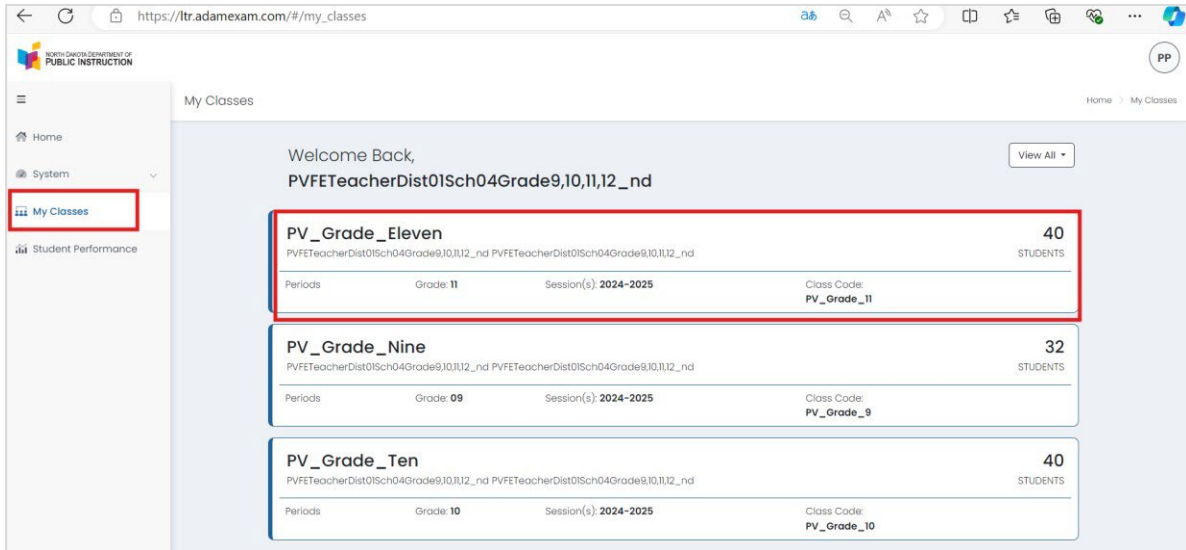

3. Once logged into LaunchPad, click ADAM LTR.

The screenshot shows the dashboard of the North Dakota Department of Public Instruction Launchpad. The browser address bar displays the URL: "https://launchpad.pearson.com/#/client/55435606-406c-11ee-b2c5-a3177adabc04/dashboard". The dashboard header includes the department logo and the text "North Dakota". Below the header, there are four main sections:

- Navy**: Targeted learning checks and engaging activities for each standard.
- ADAM LTR**: Assessment Delivery and Reporting (LTR).
- Additional Links**: A section containing two links:
 - ND A+ Portal - Resources**: Administration Guides, Practice Tests, Resource Documents.
 - North Dakota A+ Platform Support**: North Dakota A+ Online ADAM and TestNav Help.

- Once the home page appears, go to the left-hand side and select My Classes. All the teacher's classes will appear. The teacher will select the class they want to proctor.
